STRENGTHS

- ★ **Believing myself**
Your strength is your resilience your mindset and your ability to grow through every situation

KEY ACHIEVEMENTS

- 🥋 **Karate tournaments**
I have competed in number of tournaments at every level – from inter-dojō events to open championships, district, state, national, and international 2021, 2024, 2025 tournaments. I proudly coach students who have followed the same path, achieving success and recognition in similar competitions. In addition to karate,

SUMMARY

I am martial arts instructor with over 18 years of experience as a Karate Master and 15 years as a Swimming Coach. My focus is on ensuring each student achieves their maximum potential through dedicated training and a supportive environment. My achievements include national and international medals and a commitment to promoting karate
