Hello!

Currently an Economics Educator, I have over four years of experience teaching economics. I hold a Bachelor's and Master's degree in Commerce, a Master's in Economics, and a B.Ed., all from Maharaja Ganga Singh University, Bikaner.

Having cleared REET 2022 and CTET July 2024, I am continuously working on enhancing my teaching methodologies.

I'm passionate about making complex economic concepts easy to understand and inspiring students to think critically. For me, teaching isn't just about imparting knowledge—it's about shaping futures, one lesson at a time!
