

MOHAMMED FAYYAZ K M

Tel: +91-7358986938 | Email: kmfayyaz10@gmail.com
LinkedIn : <https://www.linkedin.com/in/mohammed-fayyaz-b55a5b288>

Objective

To leverage technical skills and Teaching knowledge as a Computer/ICT Teacher , delivering high-quality solutions and enhancing experiences.

Work Experience

ThinkHub Web Solutions Network Engineer	03/2023 - 09/2024
Prompt Infotech Network Security Consultant	09/2021 - 02/2023

Project

NETWORKING CCNA	02/2023 - 02/2023
Trained "CCNA" for Indian Navy, The Training was conducted at NCN SDC Karwar	

Education

Bachelor of Engineering (Computer Science) SNS College Of Technology	06/2017 - 03/2021
Higher Secondary Certificate National Matric Higher Secondary School	06/2016 - 03/2017
Secondary School Leaving Certificate Royal Matriculation School	06/2014 - 03/2015

Skill

Penetration Testing	
Server Management	
Threat Knowledge	
Network Designing	

Domain Knowledge

NETWORKING

- Installation and setup of routers [Routing] and switches [Switching].
- Troubleshooting of networking devices and Ip address.
- Setting up and managing Interfaces of Networking devices.
- Networking Protocol Configurations.
- Setting up VLAN, Subnetting, Routers, Switches.
- DHCP, DNS, ACL, port security, BGP, firewall security and configuration.

CYBER SECURITY

- Monitor computer system and networks to identify security breach.
- Install & utilize software such as data encryption programs.
- Minimize cyber security incidents and work with vulnerability scanning technologies.
- DNS lookup against the root servers and websites for enumerate information.
- Experience with network monitoring and packet analysis tools Day-today usage of industry standard cyber security tools.
- Analyzed and resolved vulnerabilities in relation to automated networks.
- Designing and planning of ethical hacking and cyber forensics attacks that can include exploiting software.
- Vulnerabilities, systemic vulnerabilities, social manipulation, or any combination of those factors.

SERVER

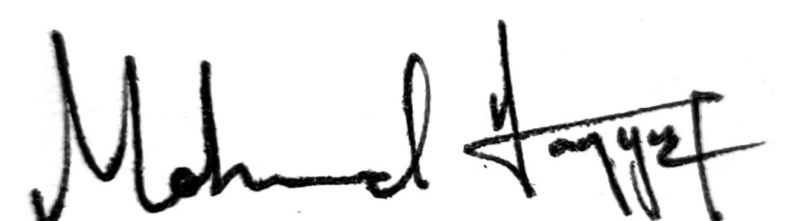

- Server hardware installation and OS installation and management.
- Maintain technology infrastructure, providing operational stability by following and using the tools.
- Active directory configuration, user creation, •organizational management, Group policy management, SDS,FTP and IIS-Web server.
- Windows Server 2019,2021 administration, ADDS, DNS, DHCP, Terminal server.

CERTIFICATES

- CompTIA A+
- CompTIA N+
- CCNA (Cisco Certified Network Associate)
- MCSE (Microsoft Certified Systems Engineer)
- REDHAT LINUX
- CEH (Certified Ethical Hacker)

DECLARATION

I hereby declare that the above-mentioned information is true to the best of my knowledge and belief.

A handwritten signature in black ink, appearing to read 'Mahesh', with a stylized flourish at the end.
