PROFESSIONAL SUMMARY

Experienced IB educator with 12 years of expertise in fostering inquiry-based learning in international schools. Skilled in curriculum planning, student assessment, differentiated instruction, and classroom management. Passionate about integrating technology and innovative teaching strategies to enhance student engagement and conceptual understanding.

SKILLS

- Workshop coordination
- Differentiated instruction
- Collaboration
- Parent-teacher communication
- Innovative lesson planning

EXPERIENCE

MYP SCIENCE FACILITATOR	April 2024 - Current
OWIS SARJAPUR BANGALORE, INDIA	
• Designed and implemented inquiry-based science lessons aligned with the IB/MYP framework to foster critical thinking and conceptual understanding. • Facilitated hands-on experiments and lab activities to support experiential learning and reinforce scientific principles. • Assessed student performance using formative and summative assessments, providing constructive feedback to support academic growth. • Collaborated with interdisciplinary teams to plan integrated units and support holistic learning experiences.	

IB PYP HOMEROOM TEACHER	
SILVER OAKS INTERNATIONAL SCHOOL Bangalore, India	June 2016 - April 2024
OAKRIDGE INTERNATIONAL SCHOOL Bangalore, India	February 2015 - April 2016
THE INDIAN PUBLIC SCHOOL Coimbatore, India	June 2012 - May 2013
• Designed and implemented IB-aligned transdisciplinary learning experiences. • Taught Unit of Inquiry (UOI), Math, and English, emphasizing inquiry-based learning. • Integrated technology and innovative strategies to enhance student engagement. • Conducted assessments, provided differentiated support, and encouraged critical thinking. • Organized field trips and hands-on learning activities.	

CERTIFICATION AND PROFESSIONAL DEVELOPMENT

IB Professional Development Workshops:

Category 1 – Making PYP Happen:

Developed a foundational understanding of the IB Primary Years Programme, focusing on its philosophy, framework, and implementation strategies to support inquiry-based learning.

Category 2 – PYP Evidencing Learning

Deepening my understanding of how to document, assess, and interpret student learning effectively in alignment with the PYP framework.

Category 3 – MYP: Approaches to Learning (ATL) Skills :

Advanced the integration and explicit teaching of ATL skills across MYP subject areas to enhance students' critical thinking, collaboration, organization, and self-management.

ADDITIONAL CERTIFICATE & PROFESSIONAL DEVELOPMENT

National Geographic Educator Certifications:

Learning Through Citizen Science: Biodiversity with iNaturalist

Monitoring Litter with Debris Tracker

Innovative Teaching with ChatGPT – Coursera – Vanderbilt University

Understanding Research Methods – Coursera

Developed foundational skills in designing, conducting, and interpreting educational research.

SAIBSA IB Workshop – Collaboration & Inquiry in the Enhanced PYP

Strengthened facilitation of collaborative, student-centered learning through enhanced inquiry-based strategies.

Big History Project

Completed training on an interdisciplinary approach to teaching history, connecting science, humanities, and critical thinking.

Harvard Graduate School of Education (Online Course):

Thinking and Learning in the Maker-Centered Classroom

Gained insights into fostering agency, creativity, and hands-on learning through maker-centered pedagogy.

LEADERSHIP AND COORDINATION ROLES

- **Olympiad Coordinator**, Successfully organized and managed the school's Olympiad exams., Oversaw student participation, result processing, and award distribution.
- **Personal Project Mentor (MYP)**, Guided students in planning, executing, and reflecting on their personal projects., Provided mentorship on research, time management, and problem-solving.

- **IB Evaluation Contributor**, Actively participated in IB Evaluation & Review at Oakridge , Silver Oaks International School & One World International School.
