Mohammed Athar

PROFESSIONAL SUMMARY

As a dedicated educator at Gems Westminster School, my foremost goal is to cultivate an environment that nurtures effective learning of core mathematical principles. I possess a keen ability to evaluate students' strengths and areas for improvement, allowing me to design customized lesson plans that address their unique learning needs. I bring with me 3 years of experience as a Senior Math Educator at Oakridge International School (IB School) along with 2 years of experience at The Indian Public School with IBDP.
