SUMMARY

As a budding History Teacher enriched by a Master's in History and a Bachelor's degree in the same field, I honed my pedagogical skills during a 4-month onsite teaching internship at Loreto House. Proficient in designing engaging educational experiences, I am committed to nurturing inclusivity and kindling a deep-seated curiosity for historical studies among students. My approach is rooted in leveraging effective teaching methodologies to promote a dynamic and empathetic learning atmosphere.

PROFESSIONAL EXPERIENCE

Teaching Internship, at Loreto House, Kolkata

Aug, 2023 - Dec, 2023

- Spearheaded a comprehensive teaching initiative during a 4-month internship at Loreto House, implemented engaging activities like historical enactments, artifact analysis, and map simulations to make history interactive and lively.
- Implemented calligraphy skills into curriculum development, offering unique learning experiences that promote artistic expression and improve student engagement in historical studies.
- Designed collaborative projects using the project method, allowing students to explore historical topics in depth.
- Integrated multimedia presentations and historical timelines into projects, facilitating student-led research and organization. Promoted student ownership of learning through active involvement in project creation and presentation. Fostered collaboration and teamwork skills by encouraging group work in project assignments.

Internship, at Bengal Chamber of Commerce

Nov, 2021

- Completed a focused 2-week internship at the Bengal Chamber of Commerce, acquiring hands-on experience in research methodologies and contributing to impact industry studies.
- Demonstrated ability to apply advanced MS Excel, Access, and Word skills in real-world settings, streamlining workflows, enhancing data analysis capabilities, and improving overall organizational productivity through proficient use of MS Office tools.
