Hard Skill

- Digital Marketing
- Microsoft Excel
- Microsoft Word
- Microsoft Power point

POORNIMA F

Graduate

Education

● SSLC

Bethlehem Girls Higher Secondary School, Ooty
2018 - 2019
89.4

● HSC

PSGR Krishnammal School for Girls, Coimbatore
2019 - 2021
88.9

● UNDER GRADUATE

PSGR Krishnammal College for Women,
Coimbatore
2021 - 2024
70.9

Experience

PRIVATE TUTOR

A level : Computer, French,
Chemistry, Physics
2022 - Present

Project

Synthesis, Characteristics and Computational Studies of Ruthenium (III) Schiff Base Complex

This projects focuses on the drug discovery against coronavirus and activation of T - cells to improve the immune system using only Computational methods.

- **Computational chemistry uses computer programs and stimulations to study the structures and properties.**

Soft Skill

- Management Skills
- Creativity
- Attentive
- Communication
- Critical Thinking
- Leadership

Interest

- SPORTS - Hockey, Handball, Throw ball, Volley ball, Badminton
- Reading books
- Public speaking
- Emcee
- Volunteering
- Learning languages
- Photography

Language

- English
- Tamil
- French

Internship

● CIPET - Palakad

Fundamentals of Polymer Synthesis and Characteristics Techniques

● Si'TARC (Testing and Calibration Laboratory)

Training program for Chemical Analysis by Instrumental methods of Analysis and Wet methods of analysis

Course

Cousera courses with Certifications

- Chemical biology
- Renewable energy future
- From climate science to action

NPTEL courses without Certifications

- English language for competitive exams
- Computational chemistry
- Stereo chemistry
- Co-ordination chemistry

DELF

L'Alliance Francaise of Madras
Level A1 - French
Present
