

Suma B S

Teacher

About me

I am Suma B S, an experienced educator with 14 years of dedicated service, currently based in Bangalore. As a passionate advocate for creative teaching, I thrive in dynamic learning environments and deeply enjoy fostering a love of learning in my students.

My expertise lies in teaching Biology within the Cambridge and ICSE curricula, Where I previously served as the Head of Department. I am a highly motivated individual with a strong determination to continuously explore innovative teaching methodologies and create engaging learning experiences for my students.

Experience

Senior school Teacher

2009– 2011

My first job was in The Oxford English school, J P Nagar, as a Biotechnology teacher for grade 11 & 12. I was also teaching Biology to grade 6 & 9.

Biology Teacher

2011 – 2013

Akash International school gave me a challenging role to teach Cambridge curriculum for IGCSE, AS & A levels. It was a great exposure teaching Biology in this school.

High School Teacher

2013– 2024

I continued teaching IGCSE, AS & A levels in Deccan International school. Its been 11 years i served as high and senior school Biology teacher. From past 3 years I also served as HOD of Biology in the same school.

Education

BSc & MSc Biotechnology

BEd, & CIDTL

Diploma in Bioinformatics
