WHO AM I

JAYALAKSHMY NAMBIAR

MY PERSONA

I can connect myself being **open minded** because I seek and evaluate a range of points of view, and I am **balanced** because I understand the importance of achieving well-being for ourselves and others.

A Quote that inspires me

You can't connect the dots looking forward; you can only connect them looking backwards. So you have to trust that the dots will somehow connect in your future- Steve Jobs

More About Me

Having travelled length and breadth of the country, I bring in diverse teaching-learning experience of about 2 decades in various boards put together: CBSE, ICSE and IB of which IB is of almost 9 years.

Certified by WIPRO as ***'Applying Thought Teacher'*** and accredited by Harvard University for Creating Cultures of Thinking, I am an Ex-Workshop Leader for CoE (Centre of Excellence) Chennai for its capacity building programme who has explored Finland Model of education too.

Giving back to society is what I feel as educators should do. Hence I am privileged enough to be a resource person for leading ongoing virtual workshops for **Aditya Birla Education Academy (ABEA) in their capacity building programme as part of** training teachers from various parts of India aligning New National Education Policy NEP 2020.

A staunch proponent of **UN SDGS** in my current workplace who worked towards producing evidences which resulted in school being awarded as SDG superhero for Karnataka State by ArcEdtech. Also a passionate member of Toastmasters International volunteering in helping people develop communication and leadership skills, a **Bharat Transformers Academies Group** moderator for their online series of teacher training sessions empowering teachers, a member of **Education Today Society Tomorrow movement (ETST)** . All the above makes me feel that I have more miles to go before I sleep.

My Passion – Interests - Values

What do I do other than Education Field ?

I am passionate about being Serving Toastmasters International community voluntarily as President of a Toastmasters Club in District 92, Karnataka, Occasional trekker, blogger

I believe: “While knowledge helps us in keeping the momentum between dreams and reality, one should take a pause, reflect and bring the culture of growth mindset in order to weather ‘the weather’ within and around you as celebrating living is the essence of everyday happiness.”

I am compassionate, empathetic, resilient who is strongly inspired by the art form **KINTSUGI** which gives me a reminder to stay optimistic in whatever situation I am in and to celebrate flaws while working on being better version thereby leading to transformation.
