## About Me

I am an accomplished Visual Art facilitator with a strong portfolio of success and over 10 years of diverse experience in various art and school curriculums, including IGCSE, MSP, IPYP, Cambridge, and ICSE.

My hallmarks include creating creative lesson plans and bringing boundless energy to the classroom, which enables me to provide a fresh perspective and value to the organization I work with. I have successfully taught and counseled students of all age groups, guiding them to achieve remarkable levels of success in various competitions.

I have been recognized and appreciated for my efforts and dedication, both offline and online. Additionally, I have conducted workshops and established an Art Club, further enhancing my ability to inspire and engage students in the world of art.
