Profile

Devoted to the progressive evolution of education, I am currently pursuing a Post Graduate Diploma in Education - International (PGDE-I) at Birmingham City University. Actively embracing recent educational advancements, including personalized learning pathways, experiential learning models, and the integration of digital tools for interactive education, my goal is to shape stimulating and adaptive learning spaces. Aspiring to forefront these contemporary practices in the field of education, I am seeking opportunities where I can contribute to the unfolding narrative of modern education and nurture the next generation of leaders.

Education

POST GRADUATE DIPLOMA IN EDUCATION - INTERNATIONAL (PGDE-I)

BIRMINGHAM CITY UNIVERSITY, UK

September 2023 – May 2024

This program offers a well-rounded blend of theoretical knowledge and hands-on teaching experiences. I am currently engaging with modules such as "Expert to Educator," "Pedagogy," "Contexts in Learning," and "Reflecting on Professional Contexts," which collectively provide me with a comprehensive understanding of teaching methods and effective classroom management. Actively participating in real teaching scenarios, I can readily apply the insights gained in the classroom setting. This program is shaping me into a considerate and adaptable educator, equipped for the evolving landscape of education in this AI-driven new world.

POST GRADUATE CERTIFICATE IN EDUCATION - INTERNATIONAL (PGCE-I)

BIRMINGHAM CITY UNIVERSITY, UK

September 2023 – February 2024

Pursuing this program has expanded my teaching skills with a dedicated focus on global education practices. I have delved into teaching theories, the art of crafting engaging lessons, and the imperative of fostering inclusivity for all students. Through active involvement in collaborative projects, I've adeptly adjusted my teaching strategies to incorporate diverse perspectives. This program has equipped me to establish positive and effective learning environments, ensuring students are well-prepared for success in our interconnected world.

BACHELOR OF ENGINEERING IN ELECTRONICS AND COMMUNICATION

SRI RAMAKRISHNA ENGINEERING COLLEGE, COIMBATORE

August 2008 – April 2012

Graduated with distinction.
