

Kapil Dalal

Musician/Music Teacher

I'm a musician with an experience of twelve years in teaching students of all age groups from different backgrounds. Over the years, I have developed a good command in music theory and dexterity in drums & percussion which help me in providing a wholesome education in music. I'm looking for an opportunity to grow and condition students by laying the foundation of music in their lives.

Work History

01/2023 -
03/2024

Drums Mentor

Music Central

- Evaluated individual learning styles of each student in order to tailor instruction methods accordingly-leading to increased comprehension of material taught during lessons.
- Organized regular recitals and performances, showcasing student achievements and providing valuable real-world experience.
- Guided students in clearing certification exams from Rock School of Music and Trinity college of London to validate their progress.
- Established clear expectations for behavior during lessons which contributed to an orderly learning environment conducive to success.

Interests

Reading - I mostly read Non-fiction (Magazines, Blogs...)

Nature Photography - I love to capture the nature in work which happens without fail with no expectations such as rising of the sun, a peaceful moment in this world of chaos.

Animal Rescue - I try and help rescuing stray animals whenever I see one in need.

Cooking - I love experimenting with different cuisines.
