PROFILE

Dynamic and dedicated educator with a strong academic background, holding a B.Sc in Chemistry, B.Ed, and PGDCA qualifications. Currently pursuing an M.Sc in Chemistry, exhibiting a commitment to continuous learning and professional development. Possessing two years of valuable experience in teaching Chemistry, Mathematics, and Biology. Known for fostering a stimulating learning environment that encourages student engagement and academic excellence. Proven ability to tailor teaching methods to accommodate diverse learning styles, ensuring comprehensive understanding and retention of subject matter. Effective communicator with a passion for nurturing the intellectual growth of students.

WORK EXPERIENCE

ASSISTANT TEACHER

Vimala Convent School, Bhawanipatna
April 2022 - December 2023

- **Elevated Learning:** Engaged students with interactive activities and provided personalized support to boost achievement.
- **Cultivated Positive Environment:** Ensured a safe, respectful, and orderly classroom for optimal learning.
- **Enhanced Curriculum Delivery:** Supported lesson planning, prepared materials, and assisted with assessments.
- **Strong Team Collaboration:** Communicated effectively, shared student progress, and fostered a cohesive teaching approach.
