Objective

Enthusiastic English Language Facilitator passionate about empowering students of all ages to achieve fluency and fostering a positive learning environment that contributes to institutional success.

Profile

Empowered Aspiring Global Citizens: Prepared students for international study through personalised tutoring in TOEFL, IELTS, PTE & Duolingo tests.

Cultivating Multilingual Mastery: Guided students in mastering English through the CBSE & Cambridge curriculums (ESL [0510] & EFL [0500]), fostering a love for learning through innovative teaching methods.

Technology-Driven Learning Architect: Integrated diverse learning applications to personalise student journeys and deliver measurable results aligned with learning objectives.

Creative Catalyst: Guided Cambridge IGCSE, AS & A Level students through the 'Art & Design Coursework,' igniting their artistic expression and critical thinking skills.

Global Advocate: Integrated Sustainable Development Goals (SDGs) into everyday classroom practices, fostering a passion for global citizenship within students (Grades 5 – 11, CBSE).

Building Confident Communicators: Extensively trained students in anchoring, editing, writing, and presentation skills, empowering them to become articulate and impactful voices.
