Setting challenging goals and targets for myself.

Encouraging others to improve by sharing my knowledge and expertise.

Adapting rapidly to constantly changing conditions.

Proactively managing conflicting demands on time.

Assertive and firm on issues when standing appropriate

Key Skills and Competences

Ensuring discipline at all times within the classroom by strictly enforcing rules. Using proven and research-based teaching strategies to get the best out of pupils. Setting an example to others by dressing professionally and always being punctual. Going out of my way to get know all pupils by their first names and be their friend. Creating learning packages that precisely meet a student's individual needs.

My responsibilities

I create lesson plans and teach those plans to the entire class, individually to students or in small groups, track student progress and present the information to parents, create tests, create and reinforce classroom rules, work with school administration prepare students for standardized tests, and manage.

My seven principles of teaching

Encourage contact between students and faculty. Develop reciprocity and cooperation among students. Encourage active learning.

Give prompt feedback.

Emphasize time on task.

Communicate high expectations.

Respect diverse talents and ways of learning.

What are the goals of a teacher (My goals)?

My effort and enthusiasm as a teacher directly influence students' commitment to my course and interest in my field. Great teachers **inspire** students by demonstrating belief in their students' abilities and by providing the support students need to meet challenging academic demands.

What are teaching strategies (My strategies)

My teaching strategies refer to methods used to help students learn the desired course contents and be able to develop achievable goals in the future. **My teaching strategies** identify the different available learning methods to enable them to develop the right **strategy** to deal with the target group identified.

Languages
