EDUCATION

MSc Chemistry

St. Paul's College, Kalamassery

10/2021 - 09/2023

Ernakulam, Kerala

Project

- Extraction of chitin and chitosan from insect variant *Luprops Tristis* (mupli beetle) and their characterization and antimicrobial studies.

BSc Industrial Chemistry

St. Paul's College, Kalamassery

06/2018 - 08/2021

Ernakulam, Kerala

Courses

- Purification of air using activated carbon" under the guidance of Dr. P V Padmanabhan at Active Char Products Pvt. Ltd (ACPL)

WORK EXPERIENCE

Chemist

Biogenic Lab

08/2023 - 02/2024

Ernakulam, Kerala

Biogenic is a NABL Accredited Food and Water Testing Laboratory.

Achievements/Tasks

- Gas chromatography (GC)
- Mass Spectrometry (MS)
- Sophisticated Instruments
- Analytical Chemistry
- High-performance liquid chromatography (HPLC)

Contact : Sangeeth - 97476 08202

Science (Chemistry) Teacher

Tutorial institution, Kerala

05/2021 - 03/2023

Kochi, Ernakulam

Class 6,7,8,9 & 10

SKILLS

Laboratory Skills

Classroom Management

Assessment and Evaluation

Problem-Solving skills

ACHIEVEMENTS

Rank holder in BSc Industrial Chemistry under MG University, Kerala

LANGUAGES

English

Professional Working Proficiency

Malayalam

Native or Bilingual Proficiency

Hindi

Professional Working Proficiency

INTERESTS

Baking
