Creative and passionate Art & Craft Instructor with over 5 years of experience in teaching and engaging children in various artistic mediums, including drawing, toy-making, soft dolls, epoxy resin art, and face painting. Seeking to inspire students through hands-on artistic expression in a nurturing educational environment.

Work Experience

Art & Craft Teacher
Freelance, 2024 – Present

Developed and implemented engaging art lessons for children ages 5-12, focusing on drawing, toy-making, and painting techniques.

Conducted workshops in epoxy resin art, providing hands-on instruction and fostering creativity among students.

Provided face painting services at events, teaching techniques to children and encouraging self-expression.

Utilized a variety of materials to create a stimulating learning environment that promotes artistic exploration.

Projects and Workshops

Led art and craft workshops for children, promoting creativity through hands-on projects like drawing, toy-making, and painting.

Conducted face painting workshops, teaching both basic techniques and intricate designs for children.

Designed eco-friendly toy-making workshops, instilling environmental awareness and creativity among students.
