PROFILE

With 8 years of English teaching experience, including over 2 years in the UAE, and a strong background in ESL instruction for both students and adults, I bring a global perspective, rich cultural experience, and multilingual proficiency to foster inclusive learning environments. I specialise in tailored English instruction, empowering diverse learners with essential language skills for success in a globalised world. Master's and Bachelor's degrees in English, along with CertTESOL qualification, further enhance my ability to deliver high-quality education.

REFERENCE

Available upon request

Managed classroom activities to create a conducive learning environment, maintaining discipline and fostering a positive, productive atmosphere.

Planned and delivered engaging lessons that significantly enhanced students' language proficiency, communication, and comprehension skills across listening, speaking, reading, and writing.

Effectively communicated with students, parents, and colleagues to support progress, address concerns, and tailor instruction, leading to improved outcomes.

Scheduled and coordinated classes, optimising the use of time and resources for both students and staff.

Contributed to the continuous improvement of the English language programme by collaborating with colleagues, participating in professional development, and supporting the development of curriculum materials.

Actively participated in extracurricular activities to promote language use beyond the classroom and support students' overall development.

Carried out administrative duties such as data entry and filing, maintaining accurate records of student performance and attendance.

Supported office operations to ensure the smooth running of daily activities at the training centre.

PERSONAL STRENGTHS

Strong verbal, problem-solving, and active listening skills for effective collaboration.

Committed to creating a supportive learning environment using patience and positive language.

Proven ability to guide, mentor, and direct others for academic success.

Highly organised, adept at prioritising tasks to enhance time management and accuracy.

Skilled in optimising lesson planning through effective resource use.

Dedicated to integrating the latest educational practices for continuous improvement.

Strong ability to analyse and resolve challenges promptly and efficiently.

Known for punctuality, dedication, and maintaining high professional standards.
