CAREER OBJECTIVE

Looking forward to work in an organization which provides satisfaction, self-development and helps me to achieve personal as well as organizational goals.

WORK EXPERIENCE

Worked as a tutor at Learnino Academy – a platform for Engineering students and Graduates, during the year 2023 - 2024

ACADEMIC DETAILS

Qualification	Institute	Board / University	Year of Passing	Score
M. Tech (Signal processing)	LBS Institute of Technology for Women, Poojappura	APJ Abdul Kalam Technological university	2018	9.19 CGPA
B. Tech (Electronics & Communication)	Mar Baselios college of Engineering and Technology	University of Kerala	2016	7.7 CGPA
12 th	Arya Central School	CBSE	2012	78.4 %
10 th	Arya Central School	CBSE	2010	9.4 GPA

TECHNICAL SKILLS

- Knowledge in MATLAB, OrCAD and ModelSim
- Proficiency in MS Word, Excel and PowerPoint
- Programming languages known - C, C++

PROJECT AND SEMINAR WORK

Thesis : Maximizing Energy Efficiency for Cooperative Spectrum Sensing

Main project: Direct Digital Synthesizer Using VHDL

Mini project : Garden Automation

Smart Helmet and Intelligent Two-Wheeler System

Seminar : PCG Based Biometric Identification System

Mel Frequency Cepstrum

Decision Fusion for Cooperative Spectrum Sensing

PAPER PUBLICATION

Published a paper entitled “Energy – Efficient Cooperative Spectrum Sensing : A Review” in ICICCT(International Conference on Inventive Communication and Computational Technologies) 2018.

PERSONAL DETAILS

Date of birth : 24-07-1994

Gender : Female

Father's name : C. Sasi Kumar

Interests : Crafts work

Languages known : English, Hindi, Malayalam

Interested subject : Mathematics, Science
